Suede leather safety sneakers with a sporty look, in conformity with the requirements of the **EN ISO 20345:2011** standard, acquiring the **S3** safety category (water resistant upper, anti-perforation insole and protection toecap). Equipped with a rubber outsole that can achieve the highest degree of anti-slip (**SRC**), heat resistance up to 300°C (**HRO**) and an **EVA** midsole that provides greater comfort while improving the worker's performance.
